**MAISONNEUVE REGION**  
**MONTREAL / LAKE ONTARIO SECTION**

Water levels in South Shore canal reach

Diving operations at St. Lambert weir bridge will be in progress up to mid-November. During this period, the water levels in the reach between St. Lambert and Cote Ste. Catherine locks will be maintained lower than standard operating levels. However, the water levels in the South Shore canal reach will be maintained above alert levels at all times.

Mariners are requested to navigate with caution in this area during this period and to advise the Operations centre if they have any peculiar observations on vessel maneuverability.
