2013 – Notice to Shipping #33

MAISONNEUVE REGION

MONTRÉAL / LAKE ONTARIO SECTION

Water Levels on Lake St-Louis (Cancelled 2013/11/22)

Mariners are advised that due to recent precipitation, and increased outflows, the water levels on Lake St-Louis have improved. For this reason, Notices to Shipping #27 and #28 of 2013, Montreal/Lake Ontario section, have been cancelled. The speed restrictions outlined in Notice to Shipping #24 of 2013, Montreal/Lake Ontario section, are once again in effect.

Therefore, the speed limits between buoys A30 and A40 are reduced as follows:

- Vessels with a draft greater than 70 dm are limited to 11 knots upbound and 13 knots downbound.

For vessels with a draft of 70 dm or less, the speed limit remains limited to 12 knots upbound and 14 knots downbound respectively.

We will continue to monitor the water levels and advise you of any other changes.
