**Vessel Speed Restriction Due to High Water Levels -  
Revised (Cancelled 2017/09/12)**

This notice rescinds notices to Shipping no. 14.

Mariners are advised that the speed restrictions have been modified following a recent evaluation of navigation conditions in the Montreal Lake Ontario section of the Seaway.

Effective immediately and until further notice, the speed limits outlined in **Column IV** of *Schedule II – Table of Speeds in the Seaway Handbook Practices & Procedures* apply from **Iroquois Lock to Tibbetts Point only**.

Mariners are reminded to watch their wake, particularly when navigating close to shore.

Please note that the speed restrictions outlined in Montreal – Lake Ontario Notices to Shipping No. 22 and No. 23 regarding the high spots at Galop Island and in U.S. Sector IV remain in effect.

We will continue to closely monitor the water levels closely and advise you of any changes.
