MONTRÉAL / LAKE ONTARIO SECTION

FIREWORKS AT LA RONDE – PORT OF MONTREAL

Mariners are advised that for safety reasons, the Port of Montreal Administration has defined a zone between the northern extremity of Sainte-Hélène Island and section 55, near the entrance of the St. Lawrence Seaway where commercial shipping (ships over 60 meters) will not be permitted to transit during all Loto-Québec firework events at La Ronde (Port of Montreal Notice to Shipping request PDM – D650).

For the upcoming firework events on on July 2, 6, 9, 16, 20, 27 and 30, the interdiction period will be from 21:30 to 23:00 hours for downbound ships and 21:30 to 23:30 for upbound ships in this zone.

This could result in delays to navigation of downbound ships in the South Shore canal, close to this area. Cruise and excursion ships as well as pleasure craft and emergency boats will be accepted in this zone.
