SEAWAY NOTICE NO. 13 - 2017 (Cancelled 2017/06/23)

Restrictions to Ship Inspections

In response to the high flows currently being experienced, the expertise of our ship inspectors is required in our Traffic Control Centers. The ship inspectors' availability will therefore be limited. As a result, beginning Thursday, June 15, 2017, and until further notice, ship inspections will be done Monday to Friday, during business hours only.
