Le réseau Grands Lacs - Voie maritime du Saint-Laurent

2017 – Notice to Shipping #14

MAISONNEUVE REGION

MONTRÉAL / LAKE ONTARIO SECTION

**Vessel Speed Restriction Due to High Water Levels -
Revised (**Cancelled 2017/08/11**)**

This notice rescinds notices to Shipping no.2, no.3 and no. 12.

The high water levels on Lake Ontario and in the St. Lawrence River make it necessary to further reduce speed limits in the Montreal Lake Ontario section of the Seaway.

Effective immediately and until further notice, the speed limits outlined in Column IV of *Schedule II – Table of Speeds in the Seaway Handbook Practices & Procedures* apply from the upper entrance of the South Shore Canal to Tibbetts Point.

In addition, mariners are asked to watch their wake, particularly when navigating close to shore.

We will continue to closely monitor the water levels closely and advise you of any changes.
