

The Great Lakes - St. Lawrence Seaway System
Le réseau Grands Lacs - Voie maritime du Saint-Laurent

2019 – Notice to Shipping N° 13
MAISONNEUVE REGION
MONTRÉAL / LAKE ONTARIO SECTION

**Vessel Speed Restriction Due to High Water Levels -
Revised (Cancelled 2019/10/01)**

Current water levels combined with the heavy precipitation anticipated on Lake Ontario and the Upper St. Lawrence River make it necessary to reduce speed limits between Eisenhower Lock and Tibbetts Point in the Montreal-Lake Ontario section.

Effective immediately and until further notice, the speed limits outlined in Column IV of *Schedule II – Table of Speeds in the Seaway Handbook Practices & Procedures* apply from Eisenhower Lock to Tibbetts Point.

Vessel speeds will be monitored closely and there will be zero tolerance for vessels exceeding the speed limit.

Please note that speed restrictions outlined in Montreal Lake Ontario Notices to Shipping no. 7 and no. 8 will not be in effect during this period.
