HYDRAULIC CONVERSION OF LOCKS 4, 5 AND 6 WEST-CONSTRUCTION ZONE

Mariners are advised that from the opening of the 2007 navigation season until approximately April 6, 2007 the west Flight Locks will remain closed to navigation in order to complete the conversion of Locks 4, 5 and 6 west to hydraulic drives. During the work the west side of Locks 4, 5 and 6 will be designated as a construction zone and therefore anyone embarking / disembarking a vessel and wishing to travel through the construction area is required to wear a hard hat. The hard hat area will be denoted by signs. Hard hats are available from the Lock Crew upon request.

Any person not complying with this requirement will be denied access through the construction zone.

NOTE: Lock 6 west is already designated a no access area as per "Notice to Shipping / Niagara Region / Welland Canal / No. 1-2007 / Point 18.
