LOCK 3 – ACCESS TO LOCK (INTERFACES) – RESTRICTED

Mariners are advised of the following conditions regarding Lock 3 during the remainder of the 2014 navigation season due to ongoing construction and installation at Lock 3 supporting our modernization project, including Hands Free Mooring equipment and infrastructure.

The following strategy is in keeping with SLSMC's commitment to safety and insuring our customers, their goods and personnel are interfacing with vessels in a safe environment.

- Mariners will not be allowed any type of interface including supplies, crew changes, or technical personnel at lock 3 until further notice.
- Masters are advised to keep this restriction in mind when transiting to avoid unnecessary delays.
