**2019 - NOTICE TO SHIPPING #10**

**NIAGARA REGION  
WELLAND CANAL**

**SHIPS SPEED AND WAVE IMPACT BELOW LOCK 1**

Due to the high water levels on Lake Ontario, the wave action from ships exiting Lock 1 is causing flooding along the shoreline. Mariners are reminded to monitor their wake action and that the speed limit in Port Weller harbour is 6 knots. Ship speeds will be monitored closely and there will be zero tolerance for ships exceeding the speed limit.
