2007 - NOTICE TO SHIPPING #13

MAISONNEUVE REGION

MONTREAL / LAKE ONTARIO SECTION

Speed reduction at St-Louis de Gonzague Bridge during cell repairs

Two yellow spar buoys will be installed on each side of the St-Louis de Gonzague Bridge, on North Side, to remind all pleasure crafts and all mariners to reduce their speed and control their wave action when passing in the repair zone.

The waves affect the repairs at the cell.
