Le réseau Grands Lacs - Voie maritime du Saint-Laurent

2007 - NOTICE TO SHIPPING #21

**MAISONNEUVE REGION
MONTREAL/LAKE ONTARIO SECTION**

SOLAR POWERED LIGHTS

Mariners are advised that three new solar powered lights have been installed on island n° 10, the second island above Champlain Bridge, in the South Shore canal. The three amber lights flash three times simultaneously, and then go out for two seconds to start again the three-flash cycle. The green light at the upper end of the island remains steady. Mariners are requested to communicate their comments to the operations center.
