2012 – Notice to Shipping #7

MAISONNEUVE REGION

MONTRÉAL / LAKE ONTARIO SECTION

Highway 30 Bridge over Seaway Channel

Mariners are advised that the pushing of the upstream span of the Highway 30 Bridge over the navigation channel above Lock 4 in Beauharnois will occur from May 30 to June 20, 2012. The span will be pushed from the south side towards the north side and will overhang the channel during this operation.

The bridge will not infringe the maximum height of vessels.

As an additional precautionary measure, the pushing of the bridge will be stopped while vessels transit the area, and resume thereafter. A security patrol will be in the area to control pleasure craft access to the area.
