2020 – Notice to Shipping N° 23  
MAISONNEUVE REGION  
MONTREAL / LAKE ONTARIO SECTION

**Wake Monitoring (Cancelled 2020/10/13)**

Due to high water levels, mariners are reminded to minimise their wake, particularly when navigating close to shore.

Areas of greater concern include:

- Cameron's Point to St-Regis Island (near Summerstown - always an area of concern regardless of water levels)
- Broder Island to Mariatown (between Cardinal and Morrisburg)
- Skelton Island to Needles Eye (Brockville Narrows)
- Alexandria Bay to Fineview (American Narrows)

We will continue to closely monitor the water levels and advise you of any changes.

Thank you for your cooperation.
