SEAWAY NOTICE NO. 17 - 2020

Maximum Permissible Draft – Montreal to Lake Ontario

This notice supersedes Seaway Notice no. 8 – 2020.

As a result of outflow adjustments from Lake Ontario, **effective immediately** and until further notice, the **maximum permissible draft in the Montreal-Lake Ontario section will be 80.8 dm (26'-6'')** for **all vessels**.

The **maximum permissible draft will remain at 80.8 dm (26'-6'')** for the Welland Canal for all vessels.

Vessels equipped with an approved and operational Draft Information System will be permitted to transit at a draft of up to 7cm above the maximum allowable draft, at their own discretion.

Conditions will continue to be monitored closely and mariners will be promptly advised of any changes.
