2020 – Pleasure Craft Bulletin #02

MONTREAL / LAKE ONTARIO SECTION
WELLAND CANAL SECTION

The St. Lawrence Seaway Management Corporation (SLSMC) is finalizing plans for the processing of pleasure craft at the Seaway's various locks. The need to preserve social distancing while processing pleasure craft requires some modifications to traditional methods. With these safety considerations in mind, we are working diligently to revise our practices and procedures. To assist clients who are looking to schedule their transits through our various locks, please note the following dates and locations for the opening of the 2020 season:

- June 8 for the Iroquois Lock
- June 15 for the Welland Canal Locks
- June 22 for the Montreal to Lake Ontario Section Locks

Further information, including COVID-19 related restrictions for certain locks, will be communicated shortly.
