

On March 11,

National day of remembrance
for victims of COVID-19.

The Government of Canada has designated today, March 11, 2021, as a National Day of Observance to commemorate the people who lost their lives and the significant impacts we have all felt because of Covid-19.

The St. Lawrence Seaway Management Corporation would like to extend its support and appreciation to all those working hard to keep each other safe in the fight against Covid-19.

At the SLSMC, the health and safety of employees, customers and partners remain a top priority.

Together, we will get through this.
