SEAWAY NOTICE NO. 16 - 2020

Transit Requirements - Operational Bow Thruster
(Cancelled 2020/05/25)

This notice supersedes Seaway Notice no. 14 - 2020.

As a result of increased outflows from Lake Ontario, the requirement to have an operational bow thruster when transiting near Seaway structures (as described in Seaway Notice No. 9) is deemed necessary once again beginning May 4, 2020 and until further notice.
