Linehandler training at MLO locks – additional week

An additional week of linehandler training is required at St-Lambert, Côte Ste-Catherine and Beauharnois Locks. As a result, Mariners are advised that they will need to deploy their mooring lines during the day, the week of August 24th even if their ship is deemed compatible with HFM. We will be staffing our locks to conduct linehandler training and we ask for your cooperation during this time.

The training schedule for the week of August 24th is as follows:

Beauharnois locks:

August 24th and 25th from 08:00 am to 05:00 pm unless informed otherwise departing Côte St-Catherine lock for upbound vessels and CIP 6 for downbound vessels.

St-Lambert and Côte Ste-Catherine locks:

August 26th and 27th from 08:00 am to 05:00 pm unless informed otherwise at CIP 2 for upbound vessels and departing Beauharnois lock 3 for downbound vessels

This may be subject to change depending on weather.
