SEAWAY NOTICE NO. 27 – 2022

DRAFT INFORMATION SYSTEM TESTING & AUDITS

Please be advised that the testing of ships for the approval to use the Draft Information System (DIS) will be suspended effective December 19, 2022 until the beginning of the 2023 navigation season.

For ships already equipped and approved to use the DIS, random audits to verify DIS performance, user knowledge and training will continue until the end of the navigation season.

Thank you for your cooperation in this matter.
