Linehandler Training at MLO and GLS Locks

Mariners are advised that they may be asked to deploy their mooring lines at Montreal Lake Ontario (MLO) and Great Lakes Seaway (GLS) locks from 08:00 to 17:00, on August 9, 14 and 15 even if their ship is deemed compatible with HFM. We will be staffing our locks to conduct linehandler training and we ask for your cooperation during this time.

For linehandler training at St-Lambert and Côte Ste-Catherine locks, the ships will be advised if training is taking place at CIP 2 for upbound vessels and departing Beauharnois lock 3 for downbound vessels

For linehandler training at Beauharnois locks, the ships will be advised if training is taking place when departing Côte St-Catherine lock for upbound vessels and at CIP 6 for downbound vessels.

For linehandler training at Snell lock, the ships will be advised if training is taking place at CIP 7 for upbound vessels and departing Eisenhower lock for downbound vessels.

For linehandler training at Eisenhower lock, the ships will be advised if training is taking place when departing Snell lock for upbound vessels and at Bradford Point (CIP 10) for downbound vessels.

Your cooperation is greatly appreciated during this time.
