Commissioning of the Hands Free Mooring System at Iroquois Lock

The gradual commissioning of the Hands-Free Mooring (HFM) system at Iroquois Lock will begin on Monday, June 9, during daylight hours only.

During the initial communication at the approach limit, vessels will be informed whether the HFM units will be used, and of their final mooring position. Masters and pilots are requested to follow the instructions provided by lock personnel.

We thank you for your cooperation during this commissioning period.
