2025 - NOTICE TO SHIPPING # 17

NIAGARA REGION
WELLAND CANAL

Dredging Wharf 10 Area

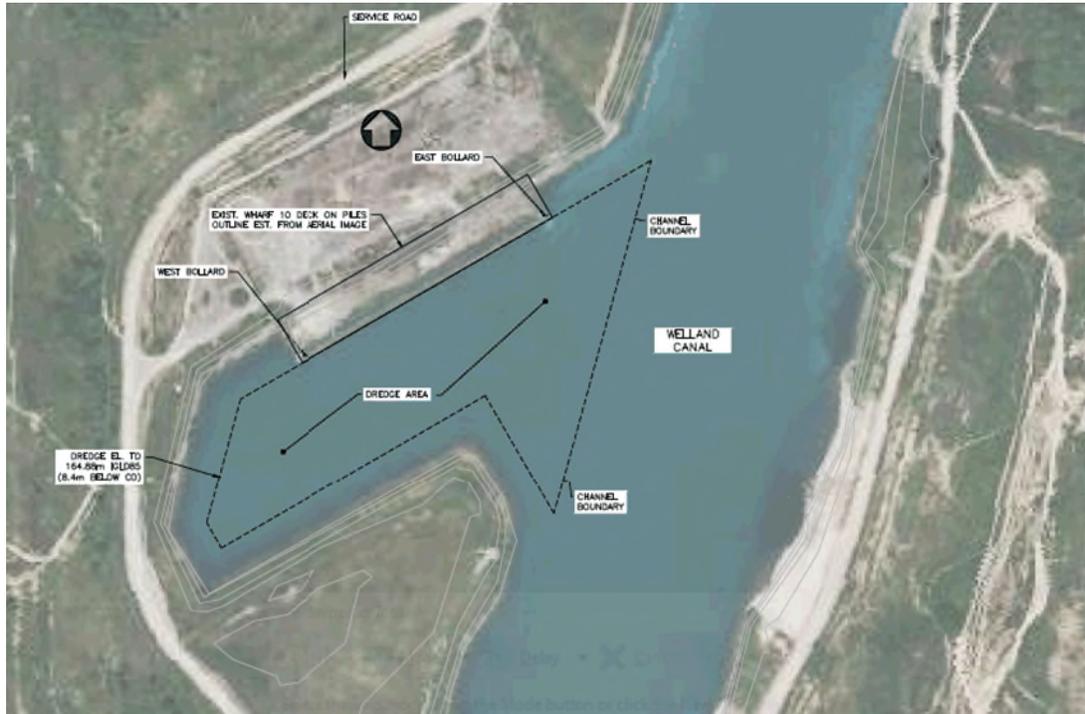

Dredging operations is underway in the area of Wharf 10 of the Welland Canal and will continue until November 28, 2025. These operations are to bring the depth to 8.4 metres below minimum water level. Mariners are advised to check their speed and wake, and to give the dredge a wide berth when passing the area. Hours of Operation for the dredging are Monday to Sunday (24 hours).

Mariners and Pilots are required to use the west entrance to lock 7 during this period, as the access road to Lock 7 east will be closed as a result of the discharging of the dredge barge.
