Possible Delays at Iroquois Lock – July 23-25, 2026

Mariners are advised of an upcoming fishing tournament scheduled for July 23 to July 25, 2026 out of Massena, New York. Approximately 100 pleasure craft are expected to participate.

Due to elevated water levels on Lake Ontario, the gates at Iroquois Dam remain lowered, preventing pleasure craft from transiting through the dam. As a result, tournament participants will transit through Iroquois Lock.

The following lockage windows have been established for pleasure craft associated with the tournament:

- 07:00 to 09:00 - Upbound transits
- 13:00 to 15:00 - Downbound transits

Commercial vessels may experience brief delays during these windows.

Thank you for your understanding and cooperation.
